II. Basis for Jurisdiction:

Federal courts are courts of limited jurisdiction. Only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case involving the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one state sues a citizen of another state and the amount in damages is more than \$75,000 is a diversity of citizenship case.

- A. What is the basis for federal court jurisdiction? (check all that apply)

☒ Federal Questions ☐ Diversity of Citizenship

- B. If the basis for jurisdiction is Federal Question, what federal Constitutional, statutory or treaty right is at issue?

Threats against Herman Brown 5'6" tall black male. I am only 5 feet 125 lbs. ongoing since 10/12/2009 - Racism

C. If the basis for jurisdiction is Diversity of Citizenship, what is the state of citizenship of each party?

Plaintiff(s) state(s) of citizenship _____

Defendant(s) state(s) of citizenship _____

III. Statement of Claim:

State as briefly as possible the facts of your case. Describe how each of the defendants named in the caption of this complaint is involved in this action, along with the dates and locations of all relevant events. You may wish to include further details such as the names of other persons involved in the events giving rise to your claims. Do not cite any cases or statutes. If you intend to allege a number of related claims, number and set forth each claim in a separate paragraph. Attach additional sheets of paper as necessary.

A. Where did the events giving rise to your claim(s) occur?

The defendant Herman Burnes was angry at me because I got his close friend Tyrone Pierce arrested and charged with aggravated assault. Tyrone is currently incarcerated until 1-22-2010.

B. What date and approximate time did the events giving rise to your claim(s) occur?

While Tyrone's been locked @ Since 10/12/2009, James + his girlfriend Alberting Scaffle physically assaulted me and called their family members to physically beat me inside my room, then stole my cell phone so I couldn't call cops. They (Tina + Herman) threatened to always beat me up and call cops on me because they know the cops will take their side and will

C. Facts:

What happened to you?

Automatically evict me or arrest me. On ~~Sept~~ 22/2009, Herman approached me while I was in the kitchen running my own business. He kept coming on to me saying "You need some of... (penis) in front of Tina. I told Herman that I know he's sexually attracted to me but I don't want you. I said this in front of Alberting. Tyrone became jealous and enslaved with his sexual desires for me because he knows I am NOT sexually active at ALL. And I don't wear

Who did what?

revealing clothes to twice males. Tina became increasingly angry and bitter towards me with jealousy because she knew her man desired me more than her. So Herman and Tina both began to plot a wicked scheme against me to have me arrested and charged leading to my eviction. And they were not "quiet" about their schemes. Also, they were

Was anyone else involved?

intensely angry with me because again, I had Tyrone locked-up. On 11/22/2009 ~~Tyrone~~ Herman saw me in the kitchen and made sexual advances towards me. When I refused him, he threw me up against the wall and said "That's right B-word I'm gonna rape you!" Tina immediately grabbed Herman but because of his build size, he overpowered both of us. He began to choke me banging my head against the wall, then smashed my right side of my face onto the right front red pilot of the electric stove. Alberting called 911 as usual and lied and said I was assaulting Herman. By this time, I ran up stairs in my room.

Who else saw what happened?

22nd Police picture came and told me what Herman
 and Ting said. They told police I used a brick with nails in
 it and physically Assaulted him with it cutting him causing him
 to bleed. I asked officers to show me the Board in question and when
 I saw it, the board had NO ~~NO~~ Blood stains or broken skin on it.
 I pointed this out to Cops as well as I too had no blood on me and
 I was wearing a white-T-Shirt. So if I was the one who Assaulted him
 using this board, where did his blood come from? Police became
 increasingly irritated with me because I was doing their investigation
 for them. Police said "It doesn't matter that the board has no blood
 on it. We don't care. and you're about to be arrested if you don't go
 to your room." So I asked Police angrily, "If I'm about to be arrested,
 what are you going to charge me with?" with absolutely NO Evidence of an
 assault? They said "disorderly conduct for not going upstairs. So I went
 inside and pretended to go upstairs. I overheard Police Advicing Herman
 and Ting to quickly go to 345th 11 Street and get an immediate
 Restraining Order against me. Monday 23, 2009, All 3 of us boarded the
 48 bus and got off at 11th market. The DA's office told ~~me~~ me
 to go to the Human Relations Dept because they can't give me a Restraining order
 and they said they told Herman and Ting to do the same thing. I then questioned
 their judgement and asked them why would they send the ~~both~~ Plaintiff
 & defendant to the same department to file a suit against each other and
 why am I being denied my right to take out a Restraining Order against these
 two criminals. She just told me to leave. Since then, Herman & Ting openly
 bragged about how they tapped into their computer and ~~found~~ found out
 my personal information like my social security number & old address. They
 even admitted to me they have been scanning my mail, opening my mail to see
 if any court documents came to me concerning Tyrone Pierce. When they opened
 my mail they realized the mail they ~~opened~~ opened was from my \$500,000.00
 lawsuit case against P.H.A and sealed it back with Scotch tape.
 I immediately called Post office Police who referred me to an F.B.I Agent
 Patric Corbin who came to the house & told Herman if he saw any discrepancies
 on my credit report when he & I go over it together, He will arrest Both of
 them. I did find 2 articles of information glaring and Patric will
 schedule a meeting with me next week around the 1st of Dec.

IV. Injuries:

If you sustained injuries related to the events alleged above, describe them and state what medical treatment, if any,

you required and received:

9/50, I remain Bennett the person I'm venting from told Herman to bold down the thermostat heater with Nails so only he- Herman could have access to the heat. I then told Both Herman & Jermain this was totally ILLEGAL and Licensed Inspect to take me if you Refuse to undrill the hatch, they would Come out, do an inspection and fine you. So I got a butter knife and began to unscrew the top nail and Herman immediately rushed over to me physically Shoving me hard with the knife in my hand, away from the heater. Because Herman was such a Huge guy and I am a little framed woman, I begged him to Not touch me. He then yelled at Ting and told her "quick call 911, She's got a knife." We're gonna make sure you miss Thanksgiving! I ran as fast as I could so I would be caught holding the knife and automatically framed for a crime I didn't commit. But the Police once again Kling to every word they said and hand cuffed me and said they were charging me with aggravated assault with a ~~knife~~ knife. I asked Police "How is this aggravated assault when there's absolutely NO injuries, NO blood, NO ambulance called. they said "It doesn't matter you're guilty." They eventually ~~stopped~~ reduced the charges to terroristic threats. (When I was the one being terrorized) and they didn't even take into consideration, they pressed charges against me

State what you want the Court to do for you and the amount of monetary compensation, if any, you are seeking, and the basis for such compensation.

exactly 2 months before Tyron was scheduled to go into trial. I am 36 year old with absolutely NO criminal record and have no reason to lie. And these Career Criminals are currently being investigated by the FBI for fraudulent Activities. This Incident happened 11/24/2009

I am suing the city of Philadelphia for \$150,000.00 for false imprisonment, Racism, false Arrest, Pain & Suffering. because they allowed Herman & Ting to Abuse my by Not taking my Side of things and not listening to the truth, they are biased & prejudiced and didn't care I was being physically and emotionally raped, Abused, assaulted, stolen from, Police even stated to me on every occasion they were called "So what, we don't care about your rights. ~~we~~ we're the LAW Not you and we can do what we want."

on 11/25/2009, Herman and Alberting both called 911 around 6AM because I came home at this time immediately screaming at them from the Living Room calling them a bunch of CROOKS. I told them how stupid they were to lie and have me falsely arrested 2 months before the trial date of their friend Tyrone. While they were in the room listening to my anger, I told them what they both did was a felony act by Harassing and having me arrested with NO PHYSICAL evidence to prove their case. I read a portion of my Subpoena out loud and told them what could happen if they showed up to court to press charges against me. The cops came out once again and told me Herman & Ting had the legal right to Evict me from my home even though they are tenants. Not the one who owns the Property — Jermaine Bennett.

So I went to 34 5th 11 Street, 5-floor to see if this was true and the guy said "Only A Landlord has the right to evict tenants. Tenants can't evict each other." he listened to my entire story completely and gave me a waiver to fill out to get a Restraining Order against these 2 people. He said "Just go up on the next floor up to the 6th floor tell them what happened and they will help you. Good luck."
